Moffett Field Project Manager
San Francisco Bay Regional Water Quality Control Board
1515 Clay Street, 14th Floor
Oakland, CA 94612

SUBJECT: NASA Ames Research Center
Hangar 1
Final Engineering Evaluation/Cost Analysis

Dear Ms. Jones and Ms. Wells:

NASA Ames is pleased to submit the referenced report for your review. The report details site conditions, evaluates site risk and establishes removal action objectives. Based on the removal action objectives, alternatives are identified and evaluated to provide NASA Ames' recommended removal action for the site.

Please contact me at 650-604-1406 or garrett.michael.turner@nasa.gov with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Garrett Michael Turner".

Garrett Michael Turner, P.E., PMP
Restoration Project Manager
Environmental Management Division
