MEMORANDUM FOR ASSISTANT SECRETARY OF THE ARMY
(INSTALLATIONS AND ENVIRONMENT)
ASSISTANT SECRETARY OF THE NAVY
(INSTALLATIONS AND ENVIRONMENT)

SUBJECT: Environmental Responsibilities at the Former Naval Air Station (NAS)
Moffett Field Housing Properties

At the request of the Navy, I have reviewed environmental responsibilities at the three housing properties at the former NAS Moffett Field.

Regarding responsibility for environmental contamination at the Westcoat, Shenandoah, and Orion Park housing properties at former NAS Moffett Field, I have determined that, consistent with current DoD policy, the Department of the Army, as the DoD Component currently exercising jurisdiction over the three pieces of property, will be responsible for its environmental condition.
