

TSCA EXPORT NOTIFICATION FORM

Exporter Instructions:

This form must be completed if you intend to export a chemical outside of the U.S. that meets the conditions specified below. "Exporting" Includes:

- Carrying the chemical on your person or carrying it in your baggage, or
- Shipping the chemical through the mail or express service (FedEx, UPS, etc.)

TSCA Section 12(b) Export Notifications must be submitted to the U.S. EPA if the chemical you intend to export is regulated under TSCA Sections 4, 5, 6 or 7. Contact Environmental Management Division (650-604-0927) to query to the Export Restriction List. Complete this form if your chemical appears on this list. Send the completed form to the address below postmarked within 7 days after accepting contracted obligation or reaching a final decision to export. Retain a copy of this form and accompanying shipping papers for 3 years. Contact JQ to verify proper packaging or for assistance.
