

# TSCA IMPORT CERTIFICATION FORM

## **Importer Instructions:**

- 1) Complete this form if you intend to import a new chemical into the U.S. Importing includes:
  - Carrying the chemical on your person or carrying it in your baggage;
  - Shipping the chemical through the mail or express services (FedEx, UPS, etc.); or
  - Ordering the chemical directly through a foreign vendor.

NOTE: If you are importing the chemical through a supplier distributor such as VWR, Fisher Scientific, or another domestic vendor, they will take responsibility for submitting the import certification.

- 2) Forward a completed copy of this form along with a Purchase Order to the foreign vendor/shipper for inclusion with the shipment.
- 3) Retain a copy of this form and accompanying shipping papers for 3 years.
- 4) Check with JQ to determine if pre-manufacture notice requirements apply (if not for R&D).
- 5) Include this form with the shipment so that it will be available to U.S. Customs upon entering the country.
