SUBJECT: NASA Ames Research Center  
Final Five-Year Review Report  
Naval Air Station Moffett Field Superfund Site  
Installation Restoration (IR) Landfill Sites 1 and 22

Dear Ms. Jones and Ms. Flack:

NASA Ames is pleased to submit the referenced report for your review. The changes in the document are in response to your comments received from Alana Lee via email on July 30, 2020.

Please contact me at 650-604-1406 or [garrett.michael.turner@nasa.gov](mailto:garrett.michael.turner@nasa.gov) with any questions.

Sincerely,

Garrett Michael Turner, P.E., PMP  
Restoration Project Manager  
Environmental Management Division
